- Offers flexibility with convenient pillow packets in a 30-count box

What is RiteStart Men?

Named for the exact purpose it provides... a RiteStart for your day, for your health, and for your life, this product supplies a combination of key nutritional supplements for comprehensive wellness support. In addition to a quality vitamin and mineral blend, RiteStart features the patented immune support of 4Life Transfer Factor Plus Tri-Factor Formula along with a proprietary men's health blend, essential fatty acids, antioxidants, and important nutrients to support eye health and healthy joint function. Its complete formula makes RiteStart one of the best and most complete wellness products available today.

PRIMARY SUPPORT:

Immune
Anti-Aging-Antioxidant
Cardiovascular
Male Support
Multivitamin
Mineral
Muscle

*Test results obtained from two independent NK cell studies conducted by Dr. Anatoli Vorobiev, head of Immunology, at the Russian Academy of Medical Science. The blinded studies tested 4Life Transfer Factor E-XF (the primary ingredient in Tri-Factor Formula) and other immune system products.

Bone
Joint
Wellness

SECONDARY SUPPORT:

Body Glucose Balance
Brain
Energy
Skin

Key Features

- Makes it easy to follow a complete wellness supplement regimen.
- Promotes healthy immune system function that, in turn, promotes increased energy and the healthy function of all other systems throughout the body.
- Helps meet the unique nutritional needs of men with nutrients that support prostate health.
- Contains a potent source of antioxidants, including: vitamins A, C and E, OPCs (Oligomeric Proanthocyanidins) such as pine bark and grape seed extracts, as well as bilberry, lutein, CoQ10, alpha-lipoic acid and green tea.

- Provides a quality source of essential fatty acids.
- Ensures exclusivity with protective United States patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks).
- Contains transfer factors (immune messenger molecules) that help educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and react to potential health threats.
- Includes Cordyvant, a proprietary blend of ingredients including Maitake mushrooms, Shiitake mushrooms, Cordyceps, IP-6 (Inositol hexaphosphate), Olive leaf extract and other ingredients to further nourish innate immune function.
